GRNL. & REV. SECTT. Br. L 11 APR. 1924 G. D. SECTION

To

The Secretary to the Government of
H.H. the Maharaja of Mysore, Local &
Legislative Departments, B a n g a l o r e.

Sir,

With reference to Government Order No. Camp, 8-28- Med. 54-23, dated 21st October 1923, re. the supply of Neo-salvarsan tubes to the Presidents of Districts, I have the honour to state that, as the tubes were required for use urgently before the receipt of the above Government Order, it is reported that Mr. Victor- A. D'Suoza was instructed on the 29th August and 3rd September 1923 to supply the tubes required to the Presidents of Districts direct as per first Government Order No. L. 6573-93 Med. 110-22-2 dated 28th March 1923 in the matter. The Presidents of Districts received the supplies from Mr. Victor A. D'Souza and paid the cost thereof direct to the Firm. As such the procedure laid down in paragaraph three of the Second Order dated 21st October 1923 could not be given effect to, so far as the adjustment of the cost was concerned. A list showing the supplies made and the cost paid is herein enclosed, from which it may be seen that the number supplied has not in any case exceeded the number sanctioned for each District.

Under the circumstances I request that sanction of Government may be kindly obtained for payment made by the Presidents to the firm direct towards the tubes supplied.

I may add that payment for the tubes from the Medical Stores budget in the first instance would have caused great embarrasment as no amount was available to be spared for

5

for this unexpected expenditure.

I have the honour to be,

S i r,

Your most obedient servant,

J B. Mythwigsen

Senior Surgeon.
